Click *here*:— [www.u4c4seconds.com](http://www.u4c4seconds.com) to go *directly* to the **u4c** website!

(Some PDF viewers *may* open this link with an alert notice that the link uses 'http' and not 'https' and therefore is 'not secure'. This link *is always* in 'https' format and *can be confirmed* so by clicking the 'lock' symbol shown to the left of the web address line).

## **Forward** this PDF file to explain what **u4c is** and **does** for **every** Excel user **in the world**

### Helpful tips when viewing u4c YouTube videos

- 1 As a *new*, *unknown* and *world-first* business tool, **u4c** is *for brevity* explained to the **2024** business world *entirely* by **u4c** YouTube videos – *in 3 minutes*.  
Hence the above '**Forward** this PDF file to explain what **u4c is** and **does**' note for sending on to the *entire* business world's Excel *users* and *end-users*.
- 2 **u4c** videos are viewed best on 'tablet' screens *or larger* as 'mobile' screens are simply *too constrictive* for working with active Excel datasets or data.  
The *larger* a video's display screen, the *easier* it will be to follow its **u4c** content.
- 3 The **u4c** videos above can be opened *directly from* the '**URL**' links on user devices with software for opening such PDF files *on-screen*. Most modern devices *can*.
- 4 For *instant* access to all available **u4c** videos from *one* source listing, click on the YouTube '**SUBSCRIBE**' invitation displayed below any **u4c** video on YouTube.  
Any YouTube '**Use u4c**' search will *then* present the complete list of available **u4c** videos on your screen ready for selection and viewing *or* for demonstration.
- 5 **URL** links as shown above can *also* be '**Copy/Pasted**' into your Web address line.
